WHAT DO WE GET? ★★

Better laws & policies for the maintenance of drains & the environment.

ROLES

- ★ Make & amend State laws.
- ★ Approve State budget.
- ★ Monitor the performance of State government agencies & institutions, including local councils.

WHAT CAN BE DONE? ★

- ★ Highlight clogged drains to relevant Local Councillor.
- ★ Ensure sufficient funds are allocated to local councils.

WHAT DO WE GET? ★★

Local councils have enough funds & resources to carry out their duties, e.g. to clean drains & the environment.

ROLES

- ★ Receive complaints of public places.
- ★ Manage sanitary & cleanliness services.
- ★ Approve building plans.
- ★ Plan infrastructure development.

WHAT CAN BE DONE? ★

- ★ Instruct relevant department to clean clogged drains.

WHAT DO WE GET? ★★

Drains not jammed.

MACAM MANA NI?

// Who are your elected representatives? What are they supposed to do? // Do you know how to get in touch with them? // Local councillors are responsible for matters concerning our everyday lives; should they be elected?

KNOW YOUR ELECTED REPRESENTATIVES

// If you're a student, pin this flyer up in your classroom. // If you're a teacher, use this flyer as a teaching aid. // If you're a citizen, raise your concerns to your elected representatives. // If you would like to discuss this, meet us at #UndiMsiChats every Saturday 11am-12pm @ Pusat Rakyat LB, 3-4, 4th floor, Jalan Bangsar Utama 3, Bangsar, 59000 Kuala Lumpur.
